Processing Information note

The records were rough sorted and placed in archival boxes by board members and volunteers of the GAR Civil War Museum & Library in 2008. In 2009-2010 they received preliminary processing by Archival Consultant Jack McCarthy and Intern Megan Atkinson, working on a project funded by grants from the Pennsylvania Historical & Museum Commission and National Endowment for the Humanities. This finding aid is the result of that project. The grant funds allowed for only minimal processing and very little re-housing of the records; as noted above, the records require more thorough processing.

The finding aid created by McCarthy and Atkinson was converted to the EAD format in 2011-2012 as part of the Historical Society of Pennsylvania's Hidden Collections Initiative for Pennsylvania Small Archival Repositories (HCI-PSAR), funded by a grant from The Andrew W. Mellon Foundation.
